Why Do It?

Increase cash flow using our self-service, maintenance-free lockers.

Where Can I Use Them?

These lockers are perfect for both indoor and outdoor use.

Why Do It?

We will install them free-of-charge and share the revenue with you and can be graphic wrapped to suit your location.

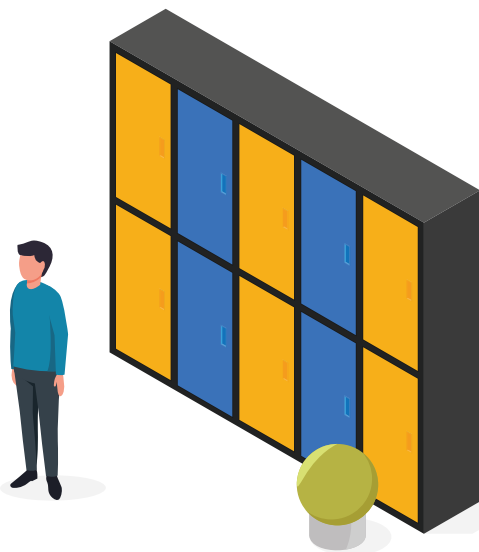

Step One

The customer approaches the lockers and scans the QR code using their mobile phone.

Step Two

The customer selects how long they wish to book the locker for and pays using the online portal

Step Three

A code is sent to the customer and they can access the locker and use it for the rental duration they selected

All bookings can be managed using the admin software supplied with the lockers
